Mesotherapy Medi Facial

1hr €135
Course of 3 €355

Mesotherapy is a bio-stimulatory anti-aging treatment that helps to "feed" and stimulate the mesoderm (mid-epidermis) of the skin. This innovative skin renewal procedure uses the skin's natural ability to repair itself (collagen induced therapy). This superficial needling allows immediate infusion of vitamins and hyaluronic acid into the skin resulting in the reduction of fine lines and wrinkles so producing brighter, firmer, rehydrated skin. For optimum results Mesotherapy is recommended as a course of 3 sessions (2-3 week intervals).

pHformula Skin Resurfacing 55 mins €115

"The new generation of peels" – no more hiding!

A restorative peel that renews damaged skin with little downtime giving visible results within days. The synergistic effects of the ingredients provide corrective and nutritive benefits, whilst exfoliating the surface of the skin. This treatment addresses a wide range of skin conditions with benefits including:

- Softening fine lines and wrinkles
- Dramatically improves skin tone, texture and radiance
- Reduces oiliness and enlarged pores
- Diminishes the appearances of skin blemishes
- Reduces sun damage and pigmentation

Level 1 €115

Level 2 €139
